

Lakewood Elementary School

1675 Hwy. 396

Myrtle Beach, SC 29575

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-5 Elementary

Enrollment: 967 students

School Phone: 843-650-6768

School Website: <http://lke.horrycountyschools.net/>

Principal: James LaPier

Superintendent: Dr. Rick Maxey

Board Chair: Joe DeFeo

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

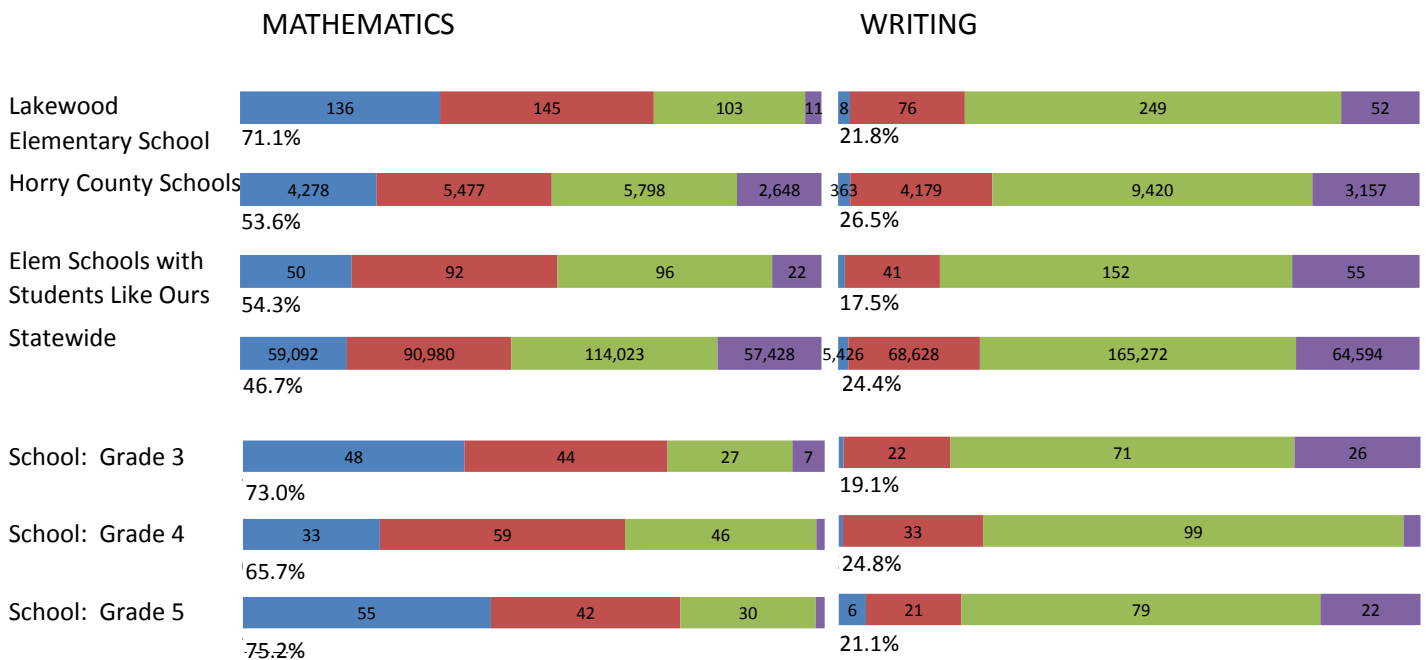

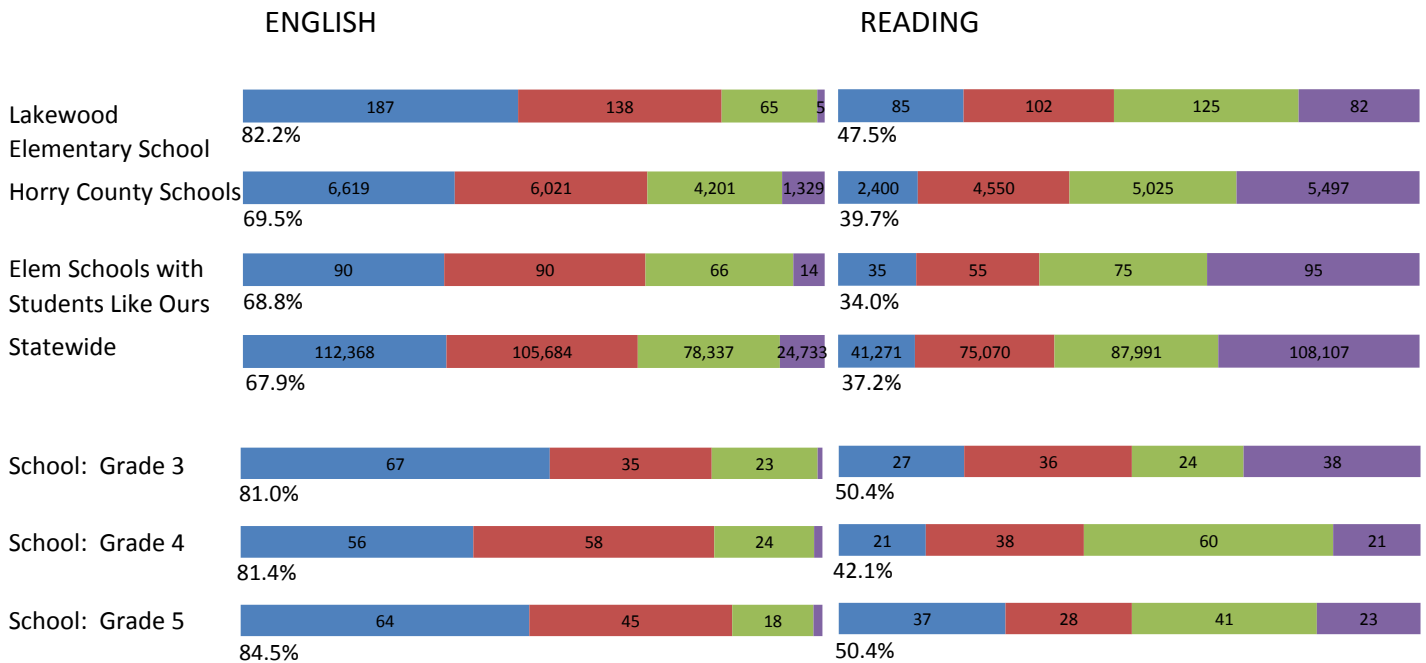

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

2014-2015 proved to be a wonderful year of making big impressions at Lakewood Elementary School. Following our school wide vision of Small P.A.W.S. making big impressions utilizing pride, achievement, work ethic, and service, the Bobcats of Lakewood Elementary stepped up to the plate. This year Mrs. Danielle McColl was named Teacher of the Year, and Mrs. Ramona Baskin was named Support Staff Member of the Year. We received Absolute and Improvement Ratings of Excellent on our school report card as well as the Palmetto Gold Awards for Outstanding Student Academic Performance and Closing Achievement Gap. Our school was ranked in South Carolina as #2 in Schools like Us across the state. In our quest to make big impressions, our staff and faculty put forth effort in analyzing various measures of data to provide interventions and lessons to make sure that we were meeting the needs of the individual student. Through MAP data, PASS data, DIBELS, teacher observation, and continuous progress monitoring our teachers were able to set goals and celebrate growth with all of our children. Each student in Kindergarten through 5th grade had their own individual data notebooks where they were able to set their goals and monitor their progress as well encouraging them to have ownership in their learning and goal setting. Effectively implementing digital content was a school-wide focus to help our students move towards using technology as a tool for learning successfully. Teachers and staff members took every effort to differentiate the instruction so that all of our students were able to grow and celebrate success. Our school relied on the generous support of our School Improvement Council and PTA group to help with additional needs of our Bobcat Family. This year we continued implementing Community Nights focused on our four values, pride, achievement, work ethic, and service to be able to demonstrate to our supportive community what Lakewood stands for. It was a huge success with over 500 people attending each community night. Students were able to demonstrate their talents in the specific clubs that we offer, as well as their learning in the classrooms across the curriculum. As we continue to strengthen our core values of Pride, Achievement, Work Ethic and Service, we strive to demonstrate our ideals to our peers, teachers, staff members, and community members. We are Lakewood! Small P.A.W.S. making Big Impressions. James LaPier, Principal Effie Hartley, SIC Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
